

Wine and Alcohol Policy

We appreciate your choice of the Buttonwood Grove Winery as a part of your wedding plans. We ask that you choose only our wines to be served at your function. We will provide a server from our staff to serve the wine or, if you desire we will include beer of your choice as well. Champagne may be served at your function which we would also purchase and serve at your request (the Buttonwood does not sell champagne at the present time).

We are not licensed for the consumption of alcoholic beverages other than wine & beer on our premises; therefore, any other form of alcoholic beverage is prohibited. You will assume full responsibility for the amount of alcoholic beverage consumed by your guests and for any damage or injury that might occur during your event

It should be fully understood that all guests under the age of 30 years of age will be asked for proper identification prior to consumption of alcohol. Those guests under the age of 21 years of age or without the required identification will not be allowed to drink on the premises. We reserve the right to remove any person or persons from the premises who demonstrates excessive alcohol consumption or misbehavior resulting from alcohol consumption.

Any further questions should be directed to our Office Manager. We will assist in any way to make this occasion a joyful and memorable one.
